

## Wine Sampler

The Angus Barn offers any three different wines from this list in 2-oz. "sample" pours, which are offered in groups of three or six. Please take this opportunity to compare wines from within one category or several to find a wine that best suits your dining needs. It is our hope that this service adds some enjoyment and diversity to your evening at the Angus Barn. Cheers!

\*\* please note: all dessert wines are poured in 1-oz. samples

The Angus Barn serves a generous 6-oz. pour in our oversized 19-oz. wine goblets to allow our guests plenty of room to swirl their glasses and enjoy the aromas of the wine.
