

# WINE LIST

We believe wine is a very important part of the dining experience. Our goal at the Angus Barn is to enhance that experience by providing a wide variety of wines to please every palate and suit every occasion. To achieve that goal, we carefully select and cellar an extensive collection of wines including rare and vintage wines.

While we do our best to have all wines on our list available, occasionally we may be temporarily unable to provide a specific wine, and vintages are subject to change. Any unavailable selections will be noted by a red dot. Should you desire a wine that we are temporarily out of, a wine steward will gladly assist you in another comparable selection.

If you wish to enjoy your own special wine in our restaurant, there is a corkage fee of \$20.00 per bottle.

It is with great pride and pleasure that we present this list.

The Angus Barn

The late Thad Eure Jr., who exemplified the meaning of hospitality, saw great potential in having a world class wine list which eventually led to the Wine Cellar. When North Carolina changed from a dry state in 1979 to “liquor by the drink,” it was then that Thad’s instincts in developing the wine list proved fortuitous for the Barn. After Thad’s untimely death in 1988, Alice and Van were challenged with completing Thad’s dream of building a world-class wine cellar.

The coveted *Wine Spectator’s Grand Award*, won in 1989, is the highest achievement a restaurant can receive for its wine list. The award is given annually to very few restaurants worldwide that show an uncompromising devotion to the quality of their wine program. These restaurants must offer a minimum of 1600 selections and feature a serious breadth of top wine producers, outstanding depth of mature vintages, a selection of large format bottles, excellent compatibility with the restaurant menu and superior organization, presentation and wine service.

Currently the Angus Barn holds 29 consecutive Grand Awards that grace the hallway spiraling down to what was once a cluttered basement where wines were stored. Currently only 80 plus restaurants throughout the world claim the distinction of the Grand Award. In May of 1991, we officially opened the 27,500 bottle wine cellar with an accompanying dining room, Alice’s Room, named in Alice’s memory. In 2007, the Cellar expanded to include a 2nd dining room, Thad’s Room, named in Thad’s memory and a Wine Cellar Kitchen.

Certified Wine Sommelier Henk Schuitemaker, often referred to as “The Wine Guy” has been with the restaurant for 34 years. He is responsible for maintaining the wine cellar and wine list. Due to his diligence and hard work, the Angus Barn has maintained the Grand Award since 1989. Henk’s responsibilities also include the wine education of the entire service staff, public wine tastings and a special wine course that he teaches for future Sommeliers. He has cultivated an entire team of wine professionals.

Please feel free to ask Henk or one of our Sommeliers to stop by your table to help with your wine selection. The staff listed below have passed the Court of Master Sommeliers first level course. The staff with an asterisk have become Certified Sommeliers through the Court of Master Sommeliers. Both levels require a tremendous amount of hard work and dedication. We are proud to introduce them to you.
